MEMO FOR IATS USERS

November 2026

SUBJECT: The November 2024 mailing was the last mass mailing of rates on CD's. Select locations are receiving rates on CD or DVD. Others can download the rate files, flyer and instructions from the Professional Software Consortium WEB page.

IATS RATES UPDATE INSTRUCTION

Step 1 Copy the file, UPDATE382_Nov0126(Sybase).ZIP for updating Sybase databases or UPDATE382_Nov0126(MSQL).ZIP for updating MSQL databases, to the location you will use for this and later updates. Once IATS learns this location it will remember it from the previous update

Step 2 Login to Maintenance with a user who has rights to update rates. A Superuser works well.

Step 3 Expand the "Configuration/Base Parameters"

Step 4 Click the entry "Update All Rates/Locations"

Step 5 Browse the "Show update-files in directory" on the UPDATE RATES AND LOCATIONS screen and find where you copied the attached file. Note: If the files were copied in the same locations as last month's update, the file should display.

Step 6 If step 5 was correct you will see the current update in the "Available update-files:" block. Click the "Update the rates/Locations using the Selected Files" button to begin.

Step 7 Answer the prompts.

RATE UPDATE #382 November 2026

This month's update includes:

1. OCONUS rates effective November 1, 2026
2. ILP limits changed for October 2026 (additional provided after 1 October)
3. Commuted Rates Schedule effective November 1, 2026
4. PCS Flat Per DIEM effective October 1, 2026 (provided on Oct Interim release)
5. DTOD 40 link effective October 15, 2026 (provided on Oct Interim release)

NOTE: Check these locations to insure the rates updated. If IATS rates are different you will need to contact DFAS or your IATS support organization. Do not do this lookup in Maintenance since you may accidentally override one of the dates. Use the rate lookup option.

COUNTRY OR STATE	CITY	DATE	LODGING	M&IE	MAXIMUM
ALGERIA	OTHER	11/01/2026	166	105	271
ZAMBIA	CHIPATA	11/01/2026	130	88	218
