

This month's update includes:

1. OCONUS rates effective September 1, 2025
2. CONUS rates that will be effective October 2025 preliminarily released by GSA
3. City Names added for renamed Army Bases (Fort Bragg and Fort Benning)
4. Updated license

NOTE: Check these locations to insure the rates updated. If IATS rates are different you will need to contact DFAS or your IATS support organization. Do not do this lookup in Maintenance since you may accidentally override one of the dates. Use the rate lookup option.

These are only some of the locations that have changed. They are listed so you have a location toward the front of the alphabet and the end of the alphabet to check. You can use other locations from the PDTATAC web site to check the rates also.
